

Maria from Homecare embarks on a trip to Medjugorje

I have been working as a credit controller within the Finance department of Homecare since March 2008. Over the past year I have been involved in a number of fundraising events to raise money to take a group of young People to Medjugorje. A group of 25 of us went out at the end of July 2008 for the World Youth Festival.

The trip was one of the best experiences of my life with over 40,000 young people from every nationality around the world. We visited an orphanage, run by the Alevora Nuns which had 118 children ranging from 5 days old to 18 years old.

We raised £8,000 in total, and I would like to take this opportunity to thank Homecare for helping us with contributions towards the trip and donations for the orphanage we visited.
